### Your President says...

June is a very busy month and holds many activities. We have celebrated June 14 as "FLAG DAY" ( the anniversary of the Flag Resolution of 1777), since President Woodrow Wilson officially established that day by a proclamation on May 30, 1916.

On August 3, 1949, President Truman signed an Act of Congress designating *June 14* of each year as *National Flag Day*.

*"I am what you make me: nothing more. I swing before your eyes as a bright gleam of color ,a symbol of yourself."*

Other activities are... Father's Day, Graduations, Y'S Men Spring Conference, YMCA Recognition Day and Summer vacation.

## FIREWORK

LET'S MAKE IT A SUCCESS!!!!!!

*"To Acknowledge The Duty That Accompanies Every Right"*

**“BLESSINGS”**  
**Do we give enough**  
**thanks for the**  
**Blessings we receive?**

Yes, what is a blessing in this life?  
 It can be a kindly nod,  
 The sunshine of someone’s smile  
 That is bestowed by God.

A blessing is the timely hand  
 That helps to stays calamity.  
 Or keeps us calm and sensible  
 When there is sudden tragedy.

It is the rung we reach upon  
 On our ladder to success  
 And most everything along the way  
 That brings us happiness.

A blessing can be a spouse or friend  
 That brings us happiness.  
 A blessing can be life itself  
 With all its dreams and finesse.

It may be the Y’S Mens Club  
 With members with whom we’re blessed.  
 The challenges of the many projects  
 We strive to make a success.

Every day is an appropriate time  
 To ask for everyone we know  
 A blessing that will help us all  
 As along life’s path we go.

So let us pause each moment we can  
 And thank God for what He has given man.  
 Yes, a prayer of gratitude and thanks we say  
 For all these blessings He has brought our way!

**Y’S MEN DINNER MTG.**

Eight members, JACKIE JACKSON, MANNY SALGUERO, LUPE TILLMAN, JOHN ZILINSKAS, JO EBLE, SU ACEBO, JACK & KATHY WIELENGA, attended our dinner meeting. at the Los Cerritos YMCA.

JACKIE JACKSON started the evening out wit a very inspiring invocation followed by JOHN ZILINSKAS leading everyone with the “Flag Salute”.

We all participated in eating the great meal furnished by our cook for the evening JOHN ZILINSKAS. A lot of fellowship went on throughout the meal.

When everyone was satisfied, we proceeded with the meeting.

A vote was taken to have the club pay for the club to pay for five members to attend the Annual Recognition Dinner on June 2. A sign-up sheet was sent around to find out who would be able to attend. KATHY WIELENGA will take care of making the arraignments.

A letter from the city of Bellflower was read thanking the club for their donation of \$96 to help furnish Easter Baskets to help needy families in the community.

A report was given regarding the up coming Spring Conference June 2.

Our Projects Chairman reported on the planned “Fireworks Stand” A sign up sheet was passed around and was completed. We are working wit the Chamber of Commerce. We will be needing more help as the time gets to the last two days. The project only lasts four days, so it is not a long drawn out task.

**WHO YOU ARE DOES**  
**MAKE A DIFFERENCE!!!**

“Who Me?”

You must mean someone else!”

Rather than sitting back and taking in all that life  
has to offer, why not answer the call to help  
someone. You may just make a difference in  
someone’s life. You may not even know you  
have made a difference immediately. But as  
volunteers, you will have the opportunity in the  
lives of people you offer assistance.

What a wonderful opportunity to be a volunteer!

A Chinese proverb to  
live by.....  
It helps create peace!

If there is **nobility** in the heart, there will be **beauty**  
in character: If there is **beauty** in character, there will  
be **harmony** at home: If there is **harmony** at home,  
there will be **order** in the nation: If there is **order** in  
the nation, there will be **peace** in the world.
