CHRISTIAN EMPHASIS

²⁶ Likewise the Spirit helps us in our weakness; for we do not know how to pray as we ought, but that very Spirit intercedes with sighs too deep for words. ²⁷ And God, who searches the heart, knows what is the mind of the Spirit, because the Spirit intercedes for the saints according to the will of God.

²⁸ We know that all things work together for good for those who love God, who are called according to his purpose.

Romans 8: 26-28

The New Revised Standard Edition

PRAYERS

Our president ROBIN McDONALD had heart surgery and is healing well. He and his family need continuing prayers. ROBIN should be discharged from the hospital on Tuesday. Ann McDonald is also recovering from two surgeries and has had additional health problem. She needs prayers for healing. Meme Biek has bronchitis and needs our prayers for healing. Our friends the Buttermans are in need of prayers. Adriana is not in the best of health and Jan is being treated for bladder cancer. They would appreciate a card or a call. BRYAN HICKLE needs prayers with his health concerns. Please keep DAN and Darlene LANGPAAP in your prayers. Our prayers continue for those in our Armed Forces, present and past, and their families. We need to continue to pray for the Sequoia Lake Conference that God will be with them.
