

US Area Endowment Fund Final Report

Aloha from Hawai'i!

As of June 7, 2006, there have been contributions to the Endowment Fund for 2005-2006 totaling \$4656.25 from 28 clubs in all nine regions as well as contributions from the Mid America and North Central Regions, the Fresno Central Y'smenettes and several personal donations. AP-E Fred Leonard became a Paul William Alexander Fellow.

Congratulations to Hawai'i for being the only region to meet or exceed its goal.

The totals by region are as follows:

Hawai'i:	\$1000
Mid America:	\$1006.25
Mid East:	\$50
North Atlantic	\$650
North Central:	\$200
Pacific Central:	\$300
Pacific Northwest:	\$300
Pacific Southwest:	\$800
South Atlantic:	\$250

For some reason this was a very slow year for the Endowment Fund despite the diligent efforts of the Regional Service Directors. We reached only 42% of our \$11,000 goal down from 65% last year. I am hoping that next year will show a return to Endowment giving.

AP-E Rob Wilby has asked Junior Fischer of the Mid America Region to serve again as ASD for Endowment in 2006-2007 while I assume the position of ISD for Endowment.

Mahalo to all current Service Directors and to all Y's Men and Women for your support of the Endowment Fund in the US Area in 2005-2006 and for your support during my terms as ASD!

Aloha,
Phil Sammer,
ASD Endowment
