Spring Conference

The Annual PSWR Spring Conference will be held on Saturday, June 12 at Leisure World. Regional officers will be inducted at this time. Doug Jones and Eldon Thorp are among the officers being welcomed. See registration form in this bulletin.

Goodbye to Our Storage Bin

Fran Mueller and **Phil Vasquez** finished cleaning out our old storage bin which now belongs to the YMCA. No more hauling it to the tree lot, no more poles, flocking machines, plywood sheets, tree stands or bags of flocking material! Fran also sold our old tree lot trailer and it is going to live at a Y camp in the mountains. Fond memories go with it.

Bruce Mueller

Bruce has been to see a surgeon at City of Hope, and the doctors have said that if he can build up his strength, there is a possibility of surgery to relieve his cancer. Please keep him and Fran in your prayers.

Pete McAfee

We are sorry to hear of the death of Pete McAfee, who passed away this month. He had fallen and was not found for 24 hours. Pete served as Regional Treasurer this year and was elected to serve next year. Our thoughts and prayers are with the family.

Save this Date

June 17 for the Saddleback installation barbecue!

Christian Emphasis

"Then I saw a new heaven and a new earth."
Revelation 21:1

Social scientists predict that the world will experience rapid changes in the decades to come. The full impact of these changes, most of them happening at the global scale, on individual human beings is not clear. Some seem to be beneficial: for example, instant global communication network. Others seem to be negative: for example, increasing isolation resulting in moral relativism. People are seeking spiritual homes. The picture of the Church that are becoming more prominent is sanctuary. A sanctuary is where sacred objects are kept and also a shelter from hardship and danger. So the church will once again become holy shelter as it was in the medieval time.

One of my dreams is to walk the St. James pilgrimage to Santiago. Along the way, I have learned, that there are rest stops where pilgrims can rest and receive hospitality. There are those who dedicate themselves to assisting the pilgrims. The image of the church is transitioning from that of the center of power and knowledge to that of rest stops where dedicated, wise servants wait upon weary pilgrims. It is a tantalizing vision that led to creation of new, exciting emerging ministries.
