See you at the band concert on Aug. 12.

“To acknowledge the duty that accompanies every right”

Picnic in the park

In lieu of an August business meeting, members decided to have a social at the Municipal Band concert in Gibson Park on Wednesday, Aug. 12.

Bring your own sack lunch and lawn chairs and meet in the vicinity of the band shell at 6:45 p.m. The concert starts at 7:30 p.m.

Convention celebrated

The club celebrated the success of the June convention at last month's meeting at the YWCA. Eighteen members and spouses enjoyed cake and ice cream, along with reports of the fruits of their labors. In his financial report, Treasurer JIM EAYRS showed total convention income of \$4,088 and total convention expenses of \$3,632.58.

That was great news. Not to mention the fact that a good time was had by all.

Happy birthday

to
PETE CORDA on Aug 2,
BOB GARDNER on Aug. 5,
and
JIM EAYRS on Aug. 16.

More great news

David Castner, son of Pam and JACK CASTNER, has been fitted with leg braces and has taken a few steps. David underwent surgery in Germany where they used his own stem cells in hopes of reversing spinal cord damage he suffered in an automobile accident. His parents are optimistic about more progress to come.

More money

The bottom line of JIM EAYRS July 2009 budget report shows the club's savings in bank accounts and bonds add up to \$38,880.12. The financial report was approved unanimously.

Foy wins

DEL SCHMIDT's name was drawn for the attendance award at the July meeting. He was absent, so another name was drawn. BILL FOY won the \$15, the maximum amount for the monthly award.

Volunteers for FISH

Members and spouses signed up to work at the FISH food pantry. Increased use of the Christian project shows increased need by local families. According to President HAROLD SPILDE, who is also FISH director, 200 more families had obtained food at FISH as of July 1, compared with last year.
