_____ TOTAL POINTS EARNED

This nomination worksheet is to be prepared by the RD, or someone designated by the RD, and forwarded to the Area President no later than JUNE 15.

Comments by the Immediate Past Area President may be appropriate to explain special situations. For example, this RD nominee may have taken over the leadership of a Region that had previously been managed poorly and has made great improvements, but whose number ratings may be lower than a less worthy nominee who may have taken over a previously well managed Region.
