President: Dan Scott

Editor: Bob Yocom

June 26, 2008

**Executive Board Meeting.** President **Dan Scott**, called for a Excom meeting at **John Scott's** home on June 2. Present were: **Dan Scott, John Scott, Bill Levering, Bryan Davis, Steve Davis, and Bob Yocom.**

The meeting resulted in the following:

1. **Dan** wants to have our meetings at the Y to get back "home." Food and drink can be catered in, or have a meeting without food. The Y will make a place for us.
2. We would like to have three sessions at Camp Willson each year working on a project.
3. **Steve Davis** agreed to find speakers for the group.
4. We will try to get more publicity for the Y's Men's Club and hope to attract new members. Maybe collaborate with some other organizations (non-Y) to gain exposure. Possibly invite other groups to our meetings.
5. The humming birds at **John Scott's** are really entertaining.
6. Contact the Y Guides and join with them on one of their activities such as their weekend at Camp Willson if the dates work out, or at their Rocket Shoot in the spring.
7. **Shirley Scott** puts out a delicious donut.
8. Scoop Editor tried to resign, but was outvoted. (The donut bribes helped too.)
9. **Bob** to check with Y about getting some mention of our club in their newsletter.
10. Anyone interested in attending a Clippers Ball Game?. **Scottie** would coordinate.
11. We'll order about same number of trees as last year.
12. Need a work session to shore up the under-support for the CatHouse.

**New Letterhead for Electronic SCOOP.** Many, many thanks to **Doug Wetsch** at Camp Willson for help in creating the new letterhead for the electronic version. Great job, Doug. You do good work.

**Camp Willson 90<sup>th</sup> Anniversary Celebration.** Plan on a visit to Camp Willson on August 16<sup>th</sup> to join the celebration of 90 years as Camp Willson. It's an all day affair. **Anne** will be sending more information later. **Anne** has worked hard on this project, and we should support her.

**Burger Bash.** **Ron Davis** is arranging another Burger Bash on July 16<sup>th</sup> after 1pm. Bring your favorite salad, casserole, dish, dessert, and join us at "Eden." As usual, burgers and hot dawgs are being prepared on the spot. Iced tea, water, soft drinks available. **Anne** promises good weather. Bring the kids, grandkids, wives, friends. Make your reservations with **Ron Davis** to give him an idea of the number to prepare for. **Ron** will be calling everyone, getting numbers and making sure that foods are not duplicated. .

**New Roster** is enclosed.

The mollusk in his cloister  
Would like it even moister,  
And on his grounds
