Burger Bash, July 10. **Ron** began his calling, and he found out that there were only going to be eight people attending, which is really not enough to make a quorum. So, sadly, one of the great things about the summer had to be cancelled. Next year, we will just have to do something about those West High people who insist on having their reunions on the dates we wanted. Let's put John Scott, Bill Levering and Larry Gossett in charge of that detail. Seriously, we should take their date into consideration as we have several members who attend.

Breakfast Along the River, August 14th. **Dan Scott** has been nominated, but not elected, to chair the Breakfast. He will probably be calling to find out what members will be able to bring. We will have to have reservations so that we can provide ample food. Let's hope that the shelter house we normally use will be available for that date.

First Meeting of the New Year, September 13th. **President John Carmony** said that the first meeting will be a planning session, and he welcomes ideas you might have for the upcoming year. (We skip the first Monday of September because that is Labor Day.)

John also has contacted our caterer, **Holly Carmony Robison**, and she is ready to come up with some great menus for our group. She does such a wonderful job, and we are so lucky to have her. Let's hear a round of applause for **Holly**.

Columbus Comets on the Road. **Holly Carmony Robison** plays on the Columbus Comets. They have had a very successful season, racking up big wins over all oncoming opponents. July 10th, the Comets played St. Louis, winning 21 - 14. That put them in line for the National Championship game, to be played in Las Vegas. **John and Teddie**, being the loyal fans and proud parents, made the trip to Las Vegas to watch the game which was played, Saturday, July 31st. Sadly, the Comets lost to Texas, 12-16. Close enough to hold their heads high.

Mission to Haiti. **Bryan Davis** reports that his wife, **Carol**, and son, **Jack**, recently were part of a mission to Haiti, leading a team from their church for a one week summer activities camp at a school. The camp is sponsored by several churches in the U.S., and **Carol** and **Brian's** local church was responsible for one of the weeks early in July. Hope it went well.

50 Year Y Celebration. **Bert Korte, John Scott, and Bob Yocom** have been participating in the planning for the 50th year that the Y has been on the Hilltop. **Paul Westenheffer, Director**, has been coordinating the

planning, and small events will be held during the fall, with the main event occurring on Sunday, November 21st. The committee is working hard on this event, and it is the hope of your executive staff that you and your spouse/friend/children will plan on coming to at least the main event. It is a big celebration at our own Y.

Sally's Alley

When Pete's a party pooper,
A melancholy drooper,
His wife will knock
Him with a rock.
She's one who conks to stupor
