Y'S MEN HAWAII REGION 2006 CONVENTION UPDATE

May 19-21, 2006

Leadership will be the key issue at the 70th Regional Convention on May 19-21, 2006 at the Naniloa Volcanoes Resort. There is a free shuttle from the airport to the hotel (969-3333) for our neighbor island participants that can assist with arrivals. Room check-in starts at 3:00pm but the registration table will be open from 10:00am. ROY ISHII is coordinating assignments.

Hilo Y's Men delegates are **LANCE NIIMI, THAYER NAKAMOTO, JIMMY FUJIMOTO, GERRAIN HOLLINS, ROBERT CHOW AND LANNY NEEL**. The drafted Hawaii Region Policies and Procedures will be reviewed and discussed at length as our region focuses on the future leadership and direction of our organization. RD Paul Kuromoto will be striving to "create a leader-friendly environment which nurtures and enhances..." There is a request that the delegates and convention attendees bring a "spirit" of leadership and positive energy about being a leader to the convention. RD Kuromoto is asking that we demonstrate "Unity in Purpose" and work together to be "Strategic in our Actions." This convention is important to lay a strong foundation for future leadership.

BROTHERHOOD CLUB ACTIVITIES: **BEN INOUE** and Lily Inouye have designed a full two days of activities for our friends from Tokyo Y's Men and other clubs from May 21-23, 2006. Club members are asked to sign up for the Imiloa Astronomy Center and Hilo tour on May 21 and bring a potluck dish for the dinner at 6:00pm. **JIMMY FUJIMOTO** is coordinating the Golf and Lily is working on the volcano tour for Monday. Please let Lily know your participation.

President 's Message: Aloha fellow Y's Men,

This is the End of the Year Report that I submitted for the upcoming convention. As a club, we have been very very busy and I can honestly say that I am proud of all that we have accomplished, thanks to your commitment and dedication to our cause.

GOALS FOR 2005-2006:

- To maintain and hold to our regular course of Y's Men's meetings twice a month, on the first and third Thursdays of each month. The first Thursday is our regular business meeting and our third meeting of each month is our program meeting in which a speaker addresses our group on some area of interest.
- To hold all planned activities as scheduled and to respond as needed to other requests that may be asked of our club. The main objectives of our activities include:
 1. Fundraising for the Hilo Y's Men's Club and the YMCA
 2. Intra-club fellowship and relationship building.
 3. Building upon the community relationship and support for the Y's Men and the YMCA.
 - The recruitment of 5 new members by the end of 2006.

RESULTS ACHIEVED:

- Regarding regular meetings and speakers for these meetings, this goal was achieved.
- Regarding holding of planned activities for fundraising, intra-club fellowship, and building community relationships, this goal was achieved.
- Regarding recruitment of 5 new members, this goal has not been achieved. As of this writing, we actually gained two new members but lost 6 members from the original roster we started with.
