On Higher Ground.... From *These Days*, 3rd Qtr 2008: by Sherrill D. Heinrichs

So we, who are many, are one body in Christ. Romans 12:5

We live in a world that's in desperate need. The church must bring to bear the forces of healing, reconciliation, unity, strength, peace, and hope in order that humankind may survive and prosper to the ultimate glory of God and the salvation of the world.

As Paul said, we are all together part of the body. We need one another, and together we represent a power that can bring about change. Together as one we can make an impact on the world.

The church needs to be seen by the world as the living Jesus, bringing into all human relations dimensions of love, faithfulness, caring, and compassion.

We must set free the people of God to go out and be the church of Jesus Christ: forgiving, reconciling, liberating, feeding, curing, struggling for peace and justice and freedom and giving people a sense of joy and hope.

Strong Kids Campaign

Our club received a gracious thank-you letter from Debbie Owens, 2008 Strong Kids Campaign Office Manager, for our generous contribution of \$500.00 to this fund which provides financial assistance to enable kids and families to participate in local YMCA programs. Good job, Mott Members!

Mott Members....Look at this exciting year ahead of us and think of someone you want to enjoy these programs and service opportunities along with us. Remember to invite perspective members and offer to pick them up for the meetings. The lobby of the YMCA is a wonderful place to meet and invite folks to become part of Y'sdom.
