### On Higher Ground....

*And so the cloud was there with the darkness-*

#### **Exodus 14:20**

The childhood experience of waking up in the night to shadows flickering at my window is still vivid. Paralyzed by fear, I would finally squeak out a call for help. My parents would come to offer reassurances. Not entirely convinced, I didn't want them to leave my side or turn out the lights.

Now I know that I was not afraid of the dark. I was afraid of the unknown, of what my imagination had created and insisted was possible. We flood our homes and public places with light in our search for security, hoping to keep in check our fears of what might be.

Israel faced the fear of the unknown at the edge of the sea as Egypt's army approached. Yet God was there in the midst of fear and uncertainty, to lead them through the wilderness. The cloud did not eliminate the darkness but was present with the darkness. **By Cathy Chishoim**
