....TO ACKNOWLEDGE THE DUTY THAT ACCOMPANIES EVERY RIGHT.
MEETS AT NOON THE 2ND AND 4TH MONDAY OF EACH MONTH

On Higher Ground:

No Excuses

*At once the man was made well, and he took up
his mat and began to walk.*

John 5:8

In this passage Jesus is with an unnamed paralytic who lay ill by the waterside for thirty-eight years. He complains to Jesus that no one will help him or that or that others continue to step in front of him as he tries to enter the rumored therapeutic waters. His healing and restoration seem so close yet are still out of his grasp.

In one way or another, we may be able to relate to the paralytic's predicament, for we too have been immobilized by our circumstances or the choices we made. We are beset by financial worries, or we think we don't have nearly enough food.

For the paralytic and us, genuine healing comes only after an encounter with Jesus Christ. We must step out in faith and hear Jesus' curing words, "Take up your mat and walk." Those words not only free us and grant us the opportunity to get out of our rut, but they enable us to leave our paralyzing conditions behind.

Lou Ciabattoni gave us a wonderful talk and show about his "volunteer vacation and his group's effort in Biloxi helping to restore damages done by Katrina. His PowerPoint production was excellent. One small matter of clarification, the program stated Habitat For Humanity, but the organization he volunteered for is called "Hands On USA (Gulf Coast in 2006 & New Orleans in 2007)." This wonderful organization puts all their money in helping disaster areas and they spend zero dollars in Marketing, so they count on alumni to spread the word.
