Thanks to all the participants at this past Regional Convention in Myrtle Beach, SC where auctioneer Bruce Miller inspired us to give a large amount of monies over a short period of time with a small number of people for the Chinese Auction. These monies, along with fines and worship service offering enabled as to contribute \$79.15 per club who had participants at the Convention for each of five areas-Alex Fund, Brotherhood Fund, Time of Fast, Endowment Fund, and the Roll Back Malaria fund.

Each of the following has credited \$79.15 per club for the Roll Back Malaria Project in our first donation check:

<b>Fesperman</b>	<b>Charles Johnson</b>
<b>Mott</b>	<b>St.Clair Cobb</b>
<b>Galax</b>	<b>Atlanta Omega</b>
<b>South Rowan</b>	

Also, I am aware of 3 clubs that have had programs on this project and our Y's Men Regional Liaison Jamie Morgan has presented to his church and to his Civitans Club and, another three members have presented to their church. Bruce Miller was given \$337 from Grace Lutheran Men to the South Rowan Club. South Rowan Club had all the proceeds from the concession sells for the YMCA Basketball Kick off season designated for this project. The power point presentation was used several times, and was also given at the South Atlantic Regional Convention on UN Day, and to the South Rowan YMCA Branch. The information was located in the lobby of the South Rowan YMCA with a donation box.

The South Atlantic Region is proud to bond together as volunteer members of men and women of Y's Men International along with the Galax, VA Y's Menettes Club to be able to help with this life saving cause and to help the children of God.
