MEETING- APRIL 15, 2006 PLACENTIA -YORBA LINDA Y'S MEN ALTA VISTA COUNTRY CLUB 777 ALTA VISTA, PLACENTIA

7:30 AM

Blessed Easter to everyone. Your scribe has been on the run for a number of weeks so most of you know more about what the club is doing than I do. The Club is now meeting in the Lounge of the Alta Vista Club unless we have an especially large crowd (more than 10). I hear that **John Harrell** is back in circulation now

that he has completed his doctorate program and is in an extended party mode. Congratulations **John!** The YMCA has requisitioned our club's cooking services and equipment to help with the after school programs they are conducting at various schools. The Club will also once again provide food services for the Yorba Linda Arts Alliance *Celebration of the Arts*. This is an ever expanding celebration and always a great way to participate in the community. We will set up again by the Lasorda Center in Yorba Linda on June 4, 2006. We will serve the assembling artists and ground crews in the morning for their java joy and the faire goes all afternoon.

District Conference

Bill and Dottie Brown will host the District Conference in the fall.

It's in the Bible

What we believe is reflected in what we say.

Proverbs 13:3, "He who guards his lips guards his soul, but he who speaks rashly will come to ruin."

Jesus' followers are to speak with care.

Colossians 4:6. "Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone." *Our manner of speech will influence others.*

1 Timothy 4:12. "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity."

In a world where it seems that the only thing that counts is one's personal values and how one feels about an issue, does the Bible speak about absolutes?

Psalms 111:4,7,8 "The Lord is gracious and compassionate. The works of his hands are faithful and just; all his precepts are trustworthy. They are steadfast forever and ever, done in faithfulness and uprightness."

Wisdom To Live By

Churchill On Accepting Responsibility

If you simply take up the attitude of defending a mistake, there will be no hope of improvement.

Winston Churchill, *British prime minister*

Barrett On Asking For Help

The strong individual is the one who asks for help when he needs it. Whether he has an abscess on his knee or in his soul.

Rona Barrett, *journalist*

Anderson On Maturity

You can only be young once, but you can be immature forever.

Larry Anderson, *baseball player*

Lombardi On Teamwork

The challenge for every organization is to build a feeling of oneness, of dependence on one another, because the question is usually not how well each person works, but how well the work together.

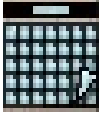

Vince Lombardi, *football coach*

Lovell On Solutions

I don't worry about crises anymore. I realize I am living on borrowed time. Take things one step at a time—work toward solutions.

James Lovell, *astronaut, commander of Apollo 13*
